We are having two performances this year. Please notice which performance time you should attend. Please spread out in the bleachers and leave after the performance is completed. Unfortunately, this is not an alumni/social event this season. Please adhere to the safety guidelines.

Items to know/remember as we begin camp

- THANK YOU for being flexible because we know that things will change!!
- In order to participate in showband this season, you **MUST** attend every rehearsal from Friday, July 31 - Thursday, Aug 6. We are trying to be flexible and understanding with vacationing families but those students on the field beginning Friday, will march this season.
- \*Lunch & Dinners are being provided by the boosters as stated. The booster officers are very aware of what food we can offer and will follow the safety guidelines given to us. If plans should change, we will let you know.
- The fruit break this year will be single serve apple/banana/orange, etc. No cut up fruit will be donated this season. Boosters will also provide single serve snacks as needed.
- Bring filled water bottles/coolers with you. There will not be gatorade provided at the field.
- Bring snacks, a hat, sunscreen, bug spray with you.

THANKS to everyone for your support as we begin the new season.

Mrs. Kelly
