

Chartiers Valley Band Festival

As we continue to live day to day in a time where we have lots of questions and yet very few answers, we would like to proceed as normal with a few of our traditional fundraisers however realistically we know that some of our all-time favorite events may not be possible. Our band festival normally brings in much needed funds for our general band account which allows us to purchase various items the band needs such as raincoats, food, first aid supplies for traveling etcetera. Although we do not currently know the status of our band festival, the board has decided to proceed with the band program but with a few changes.

Many may not realize but this is the Chartiers Valley Showband's 60th year of entertaining our community. Although there is no way to know what our 60th season has in store for us, we thought it would be great to still have a band festival program as a keepsake.

This year, we would like to make the festival program, commemorative a yearbook of sorts, to have ads and photos from Showband alumni enjoying their time in the band throughout that last 60 years. To know the fees for ads/photos, please see the Festival Ad Forms ads and photos. We are offering a 50% discount to all alumni who help show their favorite memories with an ad. Please share this information with any Chartiers Valley Showband alumni you know to see if we can make this year's festival program as amazing as the Showband itself. In the event we are not able to have our band festival this year, we will provide online sales of the program so all may enjoy.

Please see the attached ad sheet for prices and contact information.
